

SL3 eLED® L1

If you desire the most beam for your buck, look no further. The SL3 eLED® waterproof light features high intensity illumination and extensive burn time in a compact design with a price to match its small size. Choose the SL3 as your secondary light and save the rest for your next adventure.

*Reinforced
Stainless Steel Ring*

FEATURES

- Proprietary Compound Path Optics (CPO) permits high efficiency and compact size
- Thermal Recovery System recycles heat from the LED to warm batteries for improved performance in low temperatures
- Twist ON/OFF bezel sealed with two O-Rings for reliability
- Reliable waterproof seal requires 3 turns for first O-Ring release (5 turns for second O-Ring)
- Beam produces a bright spot with almost no peripheral light, reducing backscatter
- Stainless steel loop clips to BC accessory snap clips
- Limited Lifetime Warranty
- Proudly Made in USA
